

WESTON PLANTATION

WEDDING PORTRAIT POLICY

A bride, having paid to have her wedding at Weston, will be permitted to have a bridal photo taken on the stairs and/or in the parlor of the house. She may have two people attend with her (one of them being the photographer), however, no photos of the entire wedding party will be allowed.

All wedding photo sessions inside the Manor must be scheduled in advance.

Outside bridal portrait sessions are permitted. There is no charge but clients are requested to schedule an appointment for these sessions. Photographers are not provided by HHF.

There may be no use of images of Weston Manor for commercial purposes other than those provided for the client by the photographer.
